

SENIOR PROJECT MENTOR AGREEMENT

Student Name: Kalib Geiger
(print)

Mentor Name: Paul Melotte

I understand that my responsibilities as a GTCHS Senior Project mentor include:

pm 1. Maintaining a supportive, yet challenging, environment where the student feels challenged and accountable.

pm 2. Completing regular meetings, including monthly mentor evaluations, with the student. Students will submit these evaluations as assignments and include them in their portfolios.

pm 3. Completing a final evaluation of the student and his/her product.
